Who, What, Why

Helping Hands of Juniata County is a non-profit dedicated to easing the burdens of individuals and families facing financial, emotional, medical, or loss-related hardships. Through compassionate support and community-based services, we work to improve the quality of life for all residents of Juniata County, fostering hope, healing, and resilience in those we serve.

Resources

In addition to being able to request emergency support, the organization has numerous committees to help support community outreach. Services can be requested via our website: www.helpinghandsofjco.com
