

June 2025

**We are excited to announce
that our office has moved!**

**4277 William Penn Hwy
Mifflintown PA 17059**

Who, What, Why

Helping Hands of Juniata County is a non-profit dedicated to easing the burdens of individuals and families facing financial, emotional, medical, or loss-related hardships. Through compassionate support and community-based services, we work to improve the quality of life for all residents of Juniata County, fostering hope, healing, and resilience in those we serve.

Resources

In addition to being able to request emergency support, the organization has numerous committees to help support community outreach. Services can be requested via our website: www.helpinghandsofjco.com

Volunteer Spotlight

Junior Volunteer
Kalynn Brown

Kalynn a pitcher and outfielder in softball, and in her free time she enjoys going to races, spending time at the lake, hanging out with family and friends, and supporting younger athletes at their games. After high school, she plans to attend an in-state college and hopefully continue playing softball. Volunteering at Helping Hands is something she really enjoys because she has learned a lot of life lessons and says it's great to see how much people appreciate the help. She also has met some wonderful people who have made a huge impact on her life through volunteering. She is also running for Veterans Queen!

Robin Radek

Robin is a faithful volunteer that has helped us with many events including those that included art (which is her passion) along with helping us organize our new space! She and her family have spent a lot of their summer volunteering their time organizing and putting together shelving that was needed to get us up and running! We are thankful for Robin and are so excited to see what she has in store for the upcoming months with Helping Hands!
